

2019 VENDOR EXPO

MARCH 28, 2019

Become a Vendor Partner

Maricopa County buys over \$450 million in goods and services. Join us to meet with all County departments and procurement staff - all in one place, at one time - to find out how you can provide goods/services to the County. This “don’t miss” event is like speed dating for businesses, as you have the chance to meet directly with the people who make buying decisions for departments alongside staff from the Office of Procurement Services.

Working together to deliver value!
